Re: Papoose Mine #M-037-084

Dear Mr. Gallegos:

Please find the completed reclamation contract for the above property. I understand that you and Mr. Glen Williams discussed the legal description and agreed to the update that is reflected on page 7. Once this is approved please send the executed document back to me.

If a different reclamation bond form will be required by your group please send one to me so that I can get it to our surety prior to renewal.

Sincerely,

Jerry L. Powers
Manager of Administration
